9. Usenet Spamming: DDOSHOSTINGPROTECTION has a zero tolerance policy for the use of its network for the posting of messages or commercial advertisements, which violate the rules, regulations, FAQ or charter of any newsgroups or mailing list. Commercial messages that are appropriate under the rules of a newsgroup or mailing list or that are solicited by the recipients are permitted.

10. Unauthorized access: Use of the DDOSHOSTINGPROTECTION service to access, or to attempt to access, the accounts of others, or to penetrate, or attempt to penetrate, security measures of DDOSHOSTINGPROTECTION or another entity's computer software or hardware, electronic communications system, or telecommunications system, whether or not the intrusion results in the corruption or loss of data, is expressly prohibited and the offending DDOSHOSTINGPROTECTION account is subject to immediate termination.

11. Copyright or trademark infringement: Use of the DDOSHOSTINGPROTECTION service to transmit any material (by e-mail, uploading, posting or otherwise) that infringes any copyright, trademark, patent, trade secret or other proprietary rights of any third party, including, but not limited to, the unauthorized copying of copyrighted material, the digitization and distribution of photographs from magazines, books, or other copyrighted sources, and the unauthorized transmittal of copyrighted software.

12. Collection of personal data: Use of the DDOSHOSTINGPROTECTION service to collect, or attempt to collect, personal information about third parties without their knowledge or consent.

13. Network disruptions and unfriendly activity: Use of the DDOSHOSTINGPROTECTION service for any activity which affects the ability of other people or systems to use DDOSHOSTINGPROTECTION Services or the Internet. This includes "denial of service" (DOS) attacks against another network host or individual user. Interference with or disruption of other network users, services or equipment is prohibited. It is the Member's responsibility to ensure that their network is configured in a secure manner. A Subscriber may not, through action or inaction, allow others to use their network for illegal or inappropriate actions. A Subscriber may not permit their network, through action or inaction, to be configured in such a way that gives a third party the capability to use their network in an illegal or inappropriate manner. Unauthorized entry and/or use of another company and/or individual's computer system will result in immediate account termination. DDOSHOSTINGPROTECTION will not tolerate any subscriber attempting to access the accounts of others, or penetrate security measures of other systems, whether or not the intrusion results in corruption or loss of data.

14. Fraud: Involves a knowing misrepresentation or misleading statement, writing or activity made with the intent that the person receiving it will act upon it.

15. Infringement of Copyright, Patent, Trademark, Trade Secret, or Intellectual Property Right: Distribution and/or posting of copyrighted or the aforementioned infringements will not be tolerated.

16. Distribution of Viruses: Intentional distributions of software that attempts to and/or causes damage, harassment, or annoyance to persons, data, and/or computer systems are prohibited. Such an offense will result in the immediate termination of the offending account.

17. Inappropriate Use of Software: Use of software or any device that would facilitate a continued connection, i.e. pinging, while using DDOSHOSTINGPROTECTION services could result in suspension service.

18. Third Party Accountability: DDOSHOSTINGPROTECTION subscribers will be held responsible and accountable for any activity by third parties, using their account that violates guidelines created within the Acceptable Use Policy.

19. Adult content: Adult content is allowed.

20. IP Addresses: Using IP addresses that were not assigned by DDOSHOSTINGPROTECTION.
